Times, topics and lecturers are subject to change, if necessary.

Please be sure to secure all valuables.

Please wear your name badge at all times within conference function area.

Question and Answer Session is an open, moderated forum. Questions must not be patient or case specific in nature.

Please avoid texting, typing on tablets or cell phones with noises enabled during lectures.

Please avoid all photography within the conference area. This includes cell phone "selfies". This is for the protection of other patients and caregivers, some of whom may be trying to be discreet over their illness and one picture posted to social media could destroy someone's life and put an end to a career and their medical benefits. Please be thoughtful of others.

This conference is made possible, in part, by a generous grant from
