

Travel Resources

These organizations may be helpful as you plan your medical travel needs.

- [Patient Travel.org](#)
A service from the National Patient Travel Center, is a free service designed to find charitable, charitably assisted and specially discounted commercial flights to research and treatment sites for patients. It includes many volunteer pilot and flight organizations around the country. The toll free telephone number is: 800-296-1217.
- [Angel Flight America and AirLife Line](#)
Combined Organizations to Represent Estimated 90% of All Charitable Non-Emergency Medical and Compassion Flights in the United States
- [Angel Flight](#)
- [Patient AirLift Services](#) arranges free air transportation based on need to individuals requiring medical care and for other humanitarian purposes. A network of volunteer pilots provide this service without compensation using their own or rented aircraft. In no case are fees of any kind charged for these services. Generally the individuals who utilize these services have limited financial resources or are receiving diagnosis, treatment or follow-up for various types of acute or chronic illnesses or conditions that make it either financially impossible or otherwise infeasible to use public commercial or private charter transportation. Call 888-818-1231 for more information.
- [AeroCare](#)
- [Corporate Angels](#) (video)
Corporate Angel Network is the only charitable organization in the USA whose sole mission is to ease the emotional stress, physical discomfort and financial burden of travel for cancer patients by arranging free flights to treatment centers, using the empty seats on corporate aircraft flying on routine business.
Information for patients <http://www.corpangelnetwork.org/patient/index.html>
- [The National Coalition for Cancer Survivorship \(NCCS\)](#)
The National Coalition for Cancer Survivorship is the oldest survivor-led cancer advocacy organization in the country, advocating for quality cancer care for all Americans and empowering cancer survivors. NCCS believes in evidence-based advocacy for systemic changes at the federal level in how the nation researches, regulates, finances, and delivers quality cancer care. NCCS organizes [Cancer Advocacy Now!™](#), a legislative advocacy network that engages constituents across the country in federal cancer-related issues. Patient education is also a priority for NCCS. We believe that access to credible and accurate patient information, such as NCCS's award-winning [Cancer Survival Toolbox®](#) is key to demanding and receiving quality cancer care.
- [Air Care Alliance \(ACA\)](#)
VOLUNTEER PILOTS - FLYING TO HELP OTHERS
The Air Care Alliance is a nationwide league of humanitarian flying organizations whose volunteer pilots are dedicated to community service. It provides the only web site which lists all known volunteer pilot organizations providing patient transportation and flying for the public benefit. This site will introduce you to us and to all the groups we list whose volunteers perform public benefit flying for health care, patient transport, disaster relief, environmental support, and other missions of public service.
