The Official Publication for the Hem/Onc Nurse & Advanced Practitioner

Emerging Therapies for Neuroendocrine Tumors: *New Perspectives for Oncology Nurses*

Contributing Faculty

Eileen M. Regan, MSN, NP, OCN
Research Nurse
Center for Gastrointestinal Cancer
Dana-Farber Cancer Institute
Boston, MA

Carmen B. Jacobs, BS, RN, OCN, CCRP
Senior Clinical Research Quality Specialist
The University of Texas
MD Anderson Cancer Center
Houston, TX

Donna Collins Williams, RN, PHN
Oncology Research Nurse
Cancer Clinical Trials Office
Friedenrich Center for Translational Research
Stanford, CA

The activity will focus on:

- Describing neuroendocrine tumors by histological classification, categorization of tumor type, and stage
- Administering individualized, evidence-based, systemic therapy for neuroendocrine tumors, particularly with emerging targeted agents

Educational Program for Oncology Nurses on Emerging Therapies for Neuroendocrine Tumors

Published on The Carcinoid Cancer Foundation (<http://www.carcinoid.org>)

- Supporting patient adherence with therapy, including oral and injectable targeted agents, and encouraging patient self-care
- Formulating effective approaches to the management of disease- and treatment-related symptom clusters in patients with neuroendocrine tumors
- Providing appropriate care and counsel for patients and their families

Faculty for this educational program are:

- **Carmen B. Jacobs, BS, RN, OCN, CCRP**
Senior Clinical Research Quality Specialist
The University of Texas
MD Anderson Cancer Center
Houston, Texas
- **Eileen M. Regan, MSN, NP, OCN**
Research Nurse
Center for Gastrointestinal Cancer
Dana-Farber Cancer Institute
Boston, Massachusetts
- **Donna Collins Williams, RN, PHN**
Oncology Research Nurse
Cancer Clinical Trials Office
Friedenrich Center for Translational Research
Stanford, California

This education activity for 1.1 contact hours is provided by **Postgraduate Institute for Medicine**. It is designated for 0.4 contact hours of pharmacotherapy credit by **Advance Practice Registered Nurses**.

Ipsen is supporting this activity with an independent educational grant.
