- [neuroendocrine tumors](#)

Carcinoid and neuroendocrine tumor (NET) patients are invited to join three medical experts for **Lunch with the Experts in New York City** on Sunday, **September 27, 2015** at 12:30 pm. This special program was initiated and is sponsored by the [Big Apple NETs support group](#), in collaboration with the **Carcinoid Cancer Foundation**. There is no charge for the luncheon thanks to the **generous sponsorship of Lexicon Pharmaceuticals**.

This is a unique opportunity to hear from expert physicians in an informal setting on issues ranging from NET cancer treatments and surgery to follow-up testing and new developments.

Interested individuals must register by email or telephone on a first-come, first-served basis, with priority given to first-time attendees. A maximum of 25 participants can be accommodated.

The experts for the luncheon (pictured above left to right) will be [Dr. Richard R.P. Warner](#), world-renowned carcinoid/NET specialist, Director of the **Center for [Carcinoid and Neuroendocrine](#)**
