

PARTICIPANTS WANTED FOR RESEARCH STUDY

Branding Science, an independent market research agency, is seeking participants to partake in an interview to discuss their opinions on a device in development for Neuroendocrine Tumor (NET) and Carcinoid Syndrome.

We are interested in speaking with patients that are 18+ years of age that have been diagnosed with Neuroendocrine Tumor (NET) or Carcinoid Syndrome by a medical doctor.

Interview dates and locations :

May 3rd

**355 Lexington Avenue, New
York, NY 10017**

May 10th

**150 E. Huron Street,
Chicago, IL 60611**

The interview is 45 minutes and will be conducted in-person. You will be compensated \$150 for your time.

The interview will be viewed by Branding Science researchers and by the company sponsoring the research. Participants' responses will be collated with those of other patients and presented to the sponsor company anonymously ; their identity will not be revealed.

If you are interested, please contact Wendi at:
856-482-7821 (can call between 9:00 AM - 7:00 PM EST) or leave a VM
