

Frankly Speaking About Cancer: Neuroendocrine & Carcinoid Tumors (NETs)

Saturday, November 10
12:30-1:00 p.m. Lunch | 1:00-2:00 p.m. Workshop
RSVP Required

FRANKLY
SPEAKING
ABOUT CANCER

Neuroendocrine &
Carcinoid Tumors

Participants of this workshop will learn about diagnoses, treatment options and managing side effects of NETs, as well as how to cope with the psychosocial impact and foster constructive dialogue with their health care team.

This lecture will take place at our Wells Street Clubhouse. You can participate online via Facebook Live.

Presented by: Xavier Keutgen, MD, Rush University Medical Center

This workshop is made possible through an unrestricted educational grant from Lexicon Pharmaceuticals.

Please RSVP online at GildasClubChicago.org.

Gilda's Club Chicago is a free cancer support community. Parking assistance is available—contact the Clubhouse for details.
